Education

What type of degree are you pursuing?

What is your area of concentration or major?

What year are you at school?

What school do you attend?

What are your future educational plans?

What are your future career plans?

Name and e-mail address of your faculty/mentor nominator:

How does he or she know you?

In what capacity does he or she serve at the university?

In addition to this document, kindly send us (in PDF, HTML, or Word .doc format):

- a *curriculum vitae* or resume
- a 250-500 word essay explaining why you wish to attend the seminar
- A letter of nomination from a professor or mentor

Please request that your nominator send the letter of recommendation in PDF, HTML, or Word format directly to John Keck.

Final deadline for all application materials to be received by Dr. Keck: March 16th, 2009 (initial, tuition discount deadline: February 23rd). You can contact him by email at jkeck@isnature.org or by telephone at: 202-640-2720. Scholarship information on our website: www.isnature.org.
